FACIAL THERAPIES

Target your most pressing skin concerns and improve the health of your skin with a professional face treatment. Through your Face Mapping zone-by-zone skin analysis, we'll create a treatment that's customized to meet the needs of your skin. Using Dermalogica professional products we'll deliver healthier skin with a fresh appearance.

DERMALOGICA SIGNATURE FACIAL

This custom facial tailored to your skins need. It starts with a thorough cleansing and evaluation. This facial includes a delightful neck, face, and décollete massage, exfoliation, extractions and tailored mask. Leaves your skin healthy, soothed and hydrated.

AGE SMART TREATMENT FACIAL

This treatment is designed to help firm, smooth, nourish, regenerate and energize while controlling the biochemical triggers that lead to skin aging! Potent vitamin and hydroxy acid exfoliation resurfaces and retexturizes skin while energizing massage techniques release tension in the facial muscles for the ultimate in skin therapy or premature aging, mature or devitalized skin.

MEN'S SKIN TREATMENT

Designed especially for him, this treatment helps combat the effects of daily shaving, while calming redness and the effects from ingrown hairs. this treatment leaves your skin cleansed and hydrated.

EXPRESS FACIAL

This condensed version of the signature facial can be adapted to all skin types.

MEDIBAC CLEARING FACIAL

Focus on purifying your skin with deep cleansing and extractions. Formulated to improve skin clarity and reduce blemishes while soothing redness and inflammation.

MASSAGE

SWEDISH

A European method using long strokes and kneading to stimulate circulation, improve muscular relaxation and relieve tension.

DEEP TISSUE

This treatment focuses on relieving muscle strain and soreness to relax hyper-extended muscles and ligaments.

AROMATHERAPY

This full body massage utilizes pure essential oils, drawn from plants and herbs that are blended and applied with a soothing carrier oil to promote complete relaxation, calmness, vigor and balance.

PRENATAL

This treatment alleviates pelvic pressure, eases back pain, decompresses the spine, assists in reducing swelling, edema, and supports without pressure to allow deep breathing. Safe and beneficial for the last six months of pregnancy. We offer the pregnancy pillow.

REFLEXOLOGY

Reflexology is a focused pressure technique. It is based on the premise that there are zones and reflexes on different parts of the body which correspond to and are relative to our glands, and organs.

HOT STONE

Strategically placed hot stones loosen tight muscles instantly. Your entire body will be treated to a therapeutic and supremely relaxing experience that will leave you feeling completely relaxed.

THERMAL BODY THERAPIES

MINERAL SALT SCRUB

Completely customized to either energize or reduce stress, this therapy polishes skin to a soft glow while providing critical hydration and nourishment skin needs.

NOURISHING SEA MUD WRAP

Detoxify, exfoliate and nourish your body with purifying, seaweed and mineral mud poultice sealed in a warm, relaxing wrap infused with aromatic botanical extracts and fruit enzymes. This treatment will leave your skin smooth and supple.
